

SUPER-FAST WINDOW CLEANERS WANTED!!

We are looking for super-fast window cleaners to appear in a Lucozade TV advert which is filming mid-July and would love to get in touch with as many window cleaners as possible to see if they'd be interested?

I know there was a recent Fastest window cleaner competition to see if anyone could beat Terry Turbo Burrows..... and I'd like to make contact with anyone who tried.

If filmed you will receive £350 for the day plus £5000 buyout to use the ad for 1 year on UK TV and online.

Please do get in touch if interested as we haven't got too long on this!

Many thanks
