Accreditation for all successful candidates - see more on the content at: <https://www.f-w-c.co.uk/training-course>

PLEASE NOTE: *It is essential due to the written element of both the above courses, that all candidates sitting a course are able to speak and understand English. With respect Tutors are unable to accommodate non-English speaking candidates booked without prior notice who may struggle to complete the course if they do not understand English. We also reserve the right to refuse a refund. Anyone with specific learning difficulties must contact the FWC in advance to ensure arrangements are put in place to accommodate them. Also, candidates will need to show photographic ID on the day of the course!*

Due to limited space for these courses—please book early to avoid disappointment:
